

### **Honours Degree Programme under B.Tech Regulations R2023 Guideliness**

A student is eligible to choose this option if he/she has passed all the courses offered by this Institution upto third semester in the first attempt itself and has earned a CGPA / GPA\* (\*for Lateral Entry) of not less than 8.0.

- (i) The student is required to earn an additional 18 to 20 credits (over and above the total 165 to 170 credits prescribed in the curriculum as stated by AICTE) starting from fourth semester onwards to become eligible for the award of Honours Degree. 18 to 20 credits shall be earned by the student by completing 5 additional courses offered from 4<sup>th</sup> to 8<sup>th</sup> semesters.
- (ii) The student shall be given an option to earn 3 credits through 12-weeks NPTEL course (equivalent) instead of any one course listed for Honours Degree programme by the respective department and shall be completed prior to the end of the 7<sup>th</sup> semester.
- (iii) Attendance: Minimum 75% of attendance is required for registering the End Semester Examination for each Course.
- (iv) Assessment and Examination procedures for the courses under Honours Degree programme are same as that of the Theory courses given in B.Tech Regulations R2023 under clause 9.
- (v) The CGPA for the major B. Tech degree Programme will be calculated by exclusive of the credits earned by the students for the courses covered under Honours Degree Programme.
- (vi) A student can choose the option to withdraw from the Honours Degree at any time after entry during the course of time. But amount paid will not be refunded.
- (vii) A student is eligible to get the Honours Degree only on completing the programme in 'First Class with Distinction' (As per B. Tech Regulations R-2023, Clause 14.1.1(i), Students who have successfully completed the programme within eight consecutive semesters (six consecutive semesters for Lateral Entry students) and obtained a final CGPA of 8.5 or above by passing the End Semester Examination in all the courses from first to eighth semester in the first attempt will be declared to have passed in First Class with Distinction)
- (viii) Student having backlogs in any of regular semester courses at any stage will not be eligible to continue the Honours Degree Programme.
- (ix) If a student fails in any course of the Honours, he/she shall not be eligible to continue the B.E./B. Tech Honours Degree Programme. There won't be any supplementary examination for the courses chosen for Honours Degree. But the students are eligible to claim for photocopy of the answer script and Revaluation as per clause 12 of B. Tech Regulations R-2023. However, the additional credits and grades earned so far by the student will be listed in the Grade sheet under the heading 'Additional Credits Earned'.

(x) Details about the courses completed and credits earned for Honours Degree will appear in a 'Consolidated Grade Sheet'. These details will be listed under the heading 'Credits Earned for Honours Degree'. In the case of students who either withdraw from Honours Degree or become ineligible for Honours Degree by not securing 8.5 CGPA ('First Class with Distinction'), the credits earned for the courses registered and successfully completed for Honours Degree will be listed under the heading 'Additional Credits Earned'.

(xi) Nomenclature of Honours Degree is 'B.Tech.(Hons.) in XXX with specialization in YYY', where XXX is Degree in which the student is enrolled and YYY is the Honours Degree specializations.

**Undertaking by the Student**

I,-----,Reg. No-----,studying -----Year,----Semester,-----Sec, have noted all the guidelines given above and the Regulations given for completing Honours Degree Programme in B. Tech Regulations R2023. I will follow the Regulations to complete the Honours Degree Programme.
